

## FASP CHILDREN'S SERVICES FUND, INC.

### HURRICANE IRMA RELIEF EFFORT

Now that the threat of Hurricane Irma is behind us, we can focus our energy on rebuilding and supporting the children and families, schools, and communities within Florida that were impacted by this devastating storm. We urge you to consider making a monetary donation to the Florida Association of School Psychologists (FASP), Children's Service Fund, Inc. (CSFI). Because the FASP CSFI is a totally volunteer organization, **all of the funds raised go directly** to Florida's students and families in need of assistance.

The CSFI offers emergency grants when a crisis occurs in the state of Florida which involves our children, youth, and families. The request must coincide with the CSFI mission statement/goals and be approved by the CSFI Executive Board members. Specifically, the child must be of school age, the family must be in crisis, and the family must demonstrate financial need as evidenced by the children's eligibility for free or reduced lunch.

If you are unable to make a financial donation, please consider contributing school supplies, clothing, and non-perishable food items. We are working to identify needy families and schools to ensure that these items can make a difference to the most vulnerable in our state.

While founded in August of 1999, CSFI became a tax-exempt, 501©(3) charitable organization in February of 2000. The mission of the FASP CSFI is to provide direct and indirect services that promote the educational and psychological well-being of Florida's needy children and families. Now more than ever, Florida's children and families need your help!

By joining Florida's school psychologists, educators, businesses, parents, and volunteers, we can help to ensure that all of Florida's children and youth are provided a safe, educationally meaningful, and socially fulfilling childhood. As Winston Churchill once said, "We make a living by what we get, but we make a life by what we give."

Thank you very much for your consideration. We greatly accept any contribution. Please contact us concerning any questions you may have.
